**PUBLIC NOTICE**

FSSAI has been mandated by the FSS Act, 2006 for performing various functions including creation of an information network across the country so that the public, consumers, Panchayats, etc. receive rapid, reliable and objective information about food safety and issues of concern.

2. With the above mandate, all concerned are hereby informed that FSSAI has finalized 1515 ITC-HS codes of imported food items along with risk categorization of the same and shared these ITC-HS codes with Customs for implementation in Custom's ICEGate.

3. Now, FSSAI mapped these 1515 ITC-HS codes related to food articles with Food Safety and Standards Regulations and Food Code System (FCS) for further implementation in INFoLNET.

4. In this regard, to finalize the same, all concerned are requested to provide valuable inputs/comments to Imports Division, FSSAI by 04.04.2020 on following points:

- a. To crosscheck mapped ITC-HS codes with respective Food Code System (FCS) and FSS Regulation number.
- b. If any other HS Code is missing from the list, same may be informed to the undersigned.
- c. Any other suggestions/comments related to mapping of HS Codes.

This issue with the approval of Competent Authority.
